

Customers inquiring about compliance to REACH

Sept. 26, 2011

Compliance with European regulation REACH

With regard to HeBran.com compliance with requirements of the European Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals. (REACH)

According to REACH we are a so called downstream user of chemical substances. We are not a manufacturer or importer of substances and don't have to pre-register. No substances are released under normal conditions during the use of our products.

As a downstream user we don't place on the market or use any substances which are not registered in accordance with REACH. We as obligated by REACH use and follow the instructions of the collected Safety Data Sheet when using dangerous substances during manufacture of HeBran products to protect personnel, our customers and the environment. The way we utilize chemicals is covered by the registration and according to the proposed use by the supplier.
