

Customers inquiring about compliance to RoHS

May 24, 2012

Compliance with 2002/95/EC of the European Parliament & Council of 1-27-2003

HeBran.com products are manufactured in accordance with the directive 2002/95/EC of the European Parliament and the Council of 27 January 2003, better known as the RoHS directives, with regards to restrictions of the use of certain hazardous substances used in the manufacture of electrical and electronic equipment. The reader is referred to these Directives for the specific definitions and the extents of these Directives. No exemptions are required for the RoHS Compliance of our HeBran product items.

Substance	Maximum Control Value
Lead	0.1% by weight (1000 ppm)
Mercury	0.1% by weight (1000 ppm)
Cadmium	0.01% by weight (100 ppm)
